I__(PRINT NAME)_____fully support the Jasper Heritage Rodeo's endeavour to obtain an extension of the License of Occupation for the present rodeo site in Jasper National Park. Rodeo has been a part of Jasper's heritage since 1925, **A CULTURAL HERITAGE THAT MUST BE PRESERVED FOR CANADIANS AND VISITORS ALIKE.** Now a professional rodeo, it derives from the pack-horse trains which opened up the west during early exploration and the fur-trade era, involving indigenous peoples, outfitters, surveyors, mountain climbers, scientists and the first tourists into the Rocky Mountains. **Mr. Fehr, Field Unit Superintendent of Jasper National Park, has decided to "discontinue the Jasper Heritage Rodeo after one more year (2018)".**
By signing this letter, I indicate my support for this organization and the western cowboy culture.
Respectfully,
