

2017 K-DAYS RODEO CONTESTANT INFORMATION

STABLING & WARM-UP AREA

The stabling of all timed event contestant horses will be on the infield of Northlands Park Racetrack. Trailers will be parked on a first come, first served basis. Please see Parking information for further details. This area will also have a warm up ring for the use of contestants.

To access Northlands Coliseum with your horse, we ask that you exit the infield of the racetrack, traveling up the access road and in behind the Coliseum where you will pass along the north face of the building to the east ramp to access the building. Please see the map attached to this package to understand the travel route from the infield to the Coliseum.

This is an extended route, designed to ensure the least amount of traffic and obstacles to guarantee a timely arrival to the performance. The total travel time is approximately 30 minutes from the infield to the Coliseum. It is imperative that you give yourself enough time to travel this route to ensure you make it to your event on time. If you are leaving directly after your event please follow the same path back to the infield as you came.

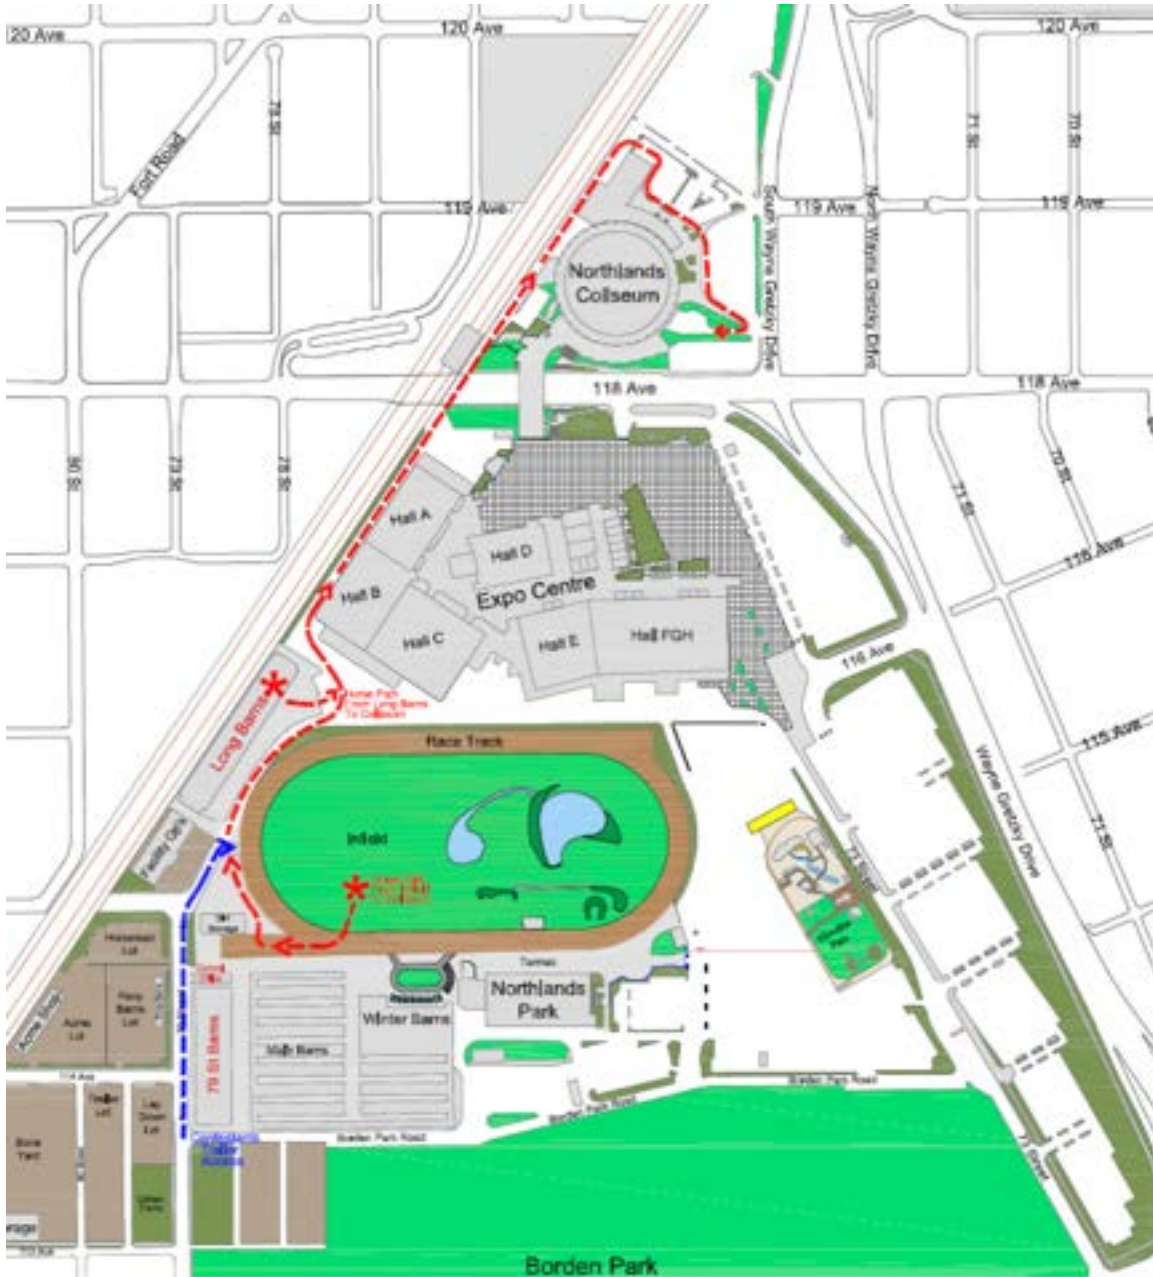

To facilitate horse movement to and from the infield and Northlands Coliseum, our Parking Service Staff are positioned along the route to ensure the safe delivery and return of you and your horse.

PLEASE BE AWARE: due to a performance of Cirque du Soleil happening in the Coliseum parking lot, which ends at approximately 6:45 pm on Friday and Saturday, with a second performance beginning at 8:00 pm, there will be large amounts of vehicle and pedestrian traffic on the horse movement route. For the safety of both our guests, our contestants, and their animals, please **restrict movement along the route between the hours of 7:00pm and 8:00pm daily**. If it is necessary to move at this time please use extreme caution, stay only on the allotted path, and follow the instructions of our parking staff.

PARKING

Timed Event and Rough Stock Event contestants have designated trailer/vehicle parking stalls on the infield of Northlands Park Racetrack. Please enter through the 79 Street Entrance. Due to the training schedule of our Northlands Park Race Thoroughbreds, This area will be open for parking at 1:00pm daily, and all trailers and contestants **MUST** vacate the infield by 1:00am the following morning. If vehicles have not left the infield by the designated time they will be towed from the area at the vehicle owner's expense.

Parking passes for this area will be distributed with the contestant's accreditation. To obtain a parking pass, contestants will need to register their license plate number at the accreditation office. (see hours of operation under "Accreditation Information") It is highly recommended contestants pick up their parking passes/accreditation prior to entering the site, or if possible on Wednesday or Thursday, as you will not be granted site access to park your vehicle without a parking pass.

Contestants parking in this area will not have assigned stalls but will be parked in the order in which they arrive. Please follow the direction of the parking staff on site. There are enough stalls available for each contestant trailer/vehicle for the day of their event only.

With an Infield parking pass, Coliseum Lot B drop off privileges for family and friends travelling with you is available. Please be mindful this is strictly a drop off zone and no vehicles will be able to park in this lot.

PLEASE BE AWARE: Fireworks will happen nightly starting at 11:00pm from the infield. If you have animals that will be spooked by this, please vacate the infield parking area no later than 10:45pm.

K-DAYS RODEO 2017 ACCREDITATION INFORMATION

Safety is our priority at Northlands and that value is of utmost importance during K-Days and the K-Days Rodeo. There are a number of areas that require special access in order to secure and establish a safe environment for our people and livestock. We appreciate everyone's cooperation and understanding in following the accreditation system process as outlined and determined by Northlands.

Any distribution of a backstage pass will require the execution of a release form prior to receiving accreditation. Each backstage pass will require the first and last name of the intended pass holder. Names for these passes must be submitted by July 14, 2017 by the appropriate association liaison.

To administer this process, an Accreditation Office will be set up for K-Days Rodeo participants to sign the release form and pick up their pass. **Government Issued Photo ID** will be required. Except for special circumstances as determined solely by Northlands, no one under the age of 18 will be permitted in backstage areas. Please arrive early to allow enough time to obtain your pass from the Accreditation Office.
