## K-DAYS RODEO 2018 ACCREDITATION INFORMATION

Safety is our priority at Northlands, and that value is of utmost importance during K-Days and the K-Days Rodeo. There are a number of areas that require special access in order to secure and establish a safe environment for our people and livestock. We appreciate everyone's cooperation and understanding in following the accreditation system and process as outlined and determined by Northlands.

Any distribution of a backstage pass will require the execution of a release form prior to receiving accreditation. Each backstage pass will require the first and last name of the intended pass holder. Names for these passes must be submitted by July 13, 2018 by the appropriate association liaison.

To administer this process, an Accreditation Booth will be set up for K-Days Rodeo participants to sign the release form and pick up their pass. **Government Issued Photo ID** will be required. Except for special circumstances as determined solely by Northlands, no one under the age of 18 will be permitted in backstage areas. Please arrive early to allow enough time to obtain your pass from the Accreditation Booth.
